EmPOWER Youth Leadership Program

2020-2021 PROGRAM YEAR

Application Deadline: 4:30 pm, Friday, May 1, 2020

empoweryouthleadership.com

Sioux Valley Energy is excited to provide an opportunity for high school juniors with a comprehensive understanding of cooperatives while developing their leadership skills in a fun, interactive and challenging way through the 7th annual EmPOWER Youth Leadership program. EmPOWER is a 12 month program that will commence with the presentation of participants at the SVE annual meeting on Tuesday, June 2, 2020. **The “meat” of the program includes four EmPOWER sessions held throughout the year that will allow students to learn about the cooperative business model, explore career options, network with other students and professionals, build and improve leadership skills through interactions with community leaders, industry experts and motivational speakers while working on personal growth.** The program will then conclude the following June at the cooperative’s 2021 annual meeting. There will be scholarships available for students who go above and beyond and attend the required sessions as well as all-expense paid traveling opportunities for selected students. Those trips include a four-day trip to the Basin Electric power generation facilities in North Dakota and also a week-long trip to Washington, D.C. in June of 2021. Upon completion of the EmPOWER program, participants will have the opportunity to form an EmPOWER Advisory Board. Your role will be to offer feedback to the Sioux Valley Energy Board of Directors and help plan the following years EmPOWER program.
